ELECTRICAL & INDUSTRIAL DISTRIBUTION

Custom Solutions

Turtle & Hughes is one of the nation's largest independent electrical and industrial distributors. From two dedicated branches in Houston and Port Lavaca, TX, we service many of the world's largest Oil & Gas companies and EPCs with electrical solutions backed by a team of highly experienced engineers and industry personnel.

Our strong partnerships with the industry's premier manufacturers provide customers with specialty electrical products designed for hazardous areas and harsh environments. We offer large inventories of explosion-proof and hazardous area connectors and lights. All of our quality products meet the high standards of today's oil, gas and petrochemical industries.
