

## On-Site Job Trailers

Do you have a project in a remote location with no access to an established warehouse? If so, an on-site job trailer is the perfect solution. Turtle & Hughes job trailers give you the capability to establish inventory at any remote job site. Our project team will work with you to identify the right material, eliminate/schedule long lead items, and monitor your material to prevent any delays in construction.

### ABOUT US

Turtle & Hughes, founded in 1923, is a fourth generation family-owned and employee-owned business and one of the nation's largest independent electrical and industrial distributors. Headquartered in Linden, NJ, we are a significant force in the engineering and procurement of power distribution, automation, lighting and energy projects, as well as an emerging force in the integrated supply arena. We have a long history of management by women that has spanned three generations of family leadership. Today, we are one of the top 50 women-owned businesses of any kind nationwide.

### STRUCTURE AND LOCATIONS

Turtle & Hughes is organized into two divisions. The Electrical Distribution division is based in Linden, NJ, and has a network of 18 branches nationwide. Turtle & Hughes Integrated Supply (THIS) is headquartered in Hamden, CT. It operates on-site at customer manufacturing facilities in 23 states, Canada, Puerto Rico and Mexico. Both divisions have the capability to execute job trailers in remote locations.
